Hi, I just want to take a minute to introduce myself. I'm a recruiter specializing in Accounting/Finance placement. I am also a University of Illinois alum in Accounting (Class of 1998). I work for Chicago Search Group Inc. as a senior recruiter.

The reason I am writing is that I help people conduct confidential job searches. Our clients consist of mid-size and boutique public accounting and consulting firms and Fortune 200 to \$100 Million privately held companies in most US markets. If you want to talk further about some of the opportunities I have or know someone who is looking, please give me a call or shoot me an email.
